ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 21st day of November, 1894.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

HIS EXCELLENCY, under the provisions of chapter 95 of the Revised Statutes of Canada, intituled "The Fisheries Act," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the following fishery regulations for the sturgeon fishery in the Province of British Columbia, shall be and the same are hereby adopted.

REGULATIONS FOR THE STURGEON FISHERY IN BRITISH COLUMBIA.

1. No one shall fish for, catch, kill, buy, sell or have in possession, any sturgeon in the Province of British Columbia, between the 1st day of June and the 15th day of July, both days inclusive, in each year, nor shall any sturgeon be fished for, caught or killed, during the weekly close time from Saturday morning at six o'clock until the following Sunday afternoon at six o'clock.

All nets or other fishing gear used, and all fish caught, during the annual close season or the weekly close time, shall be liable to seizure and confiscation, and the person or persons so violating the law shall be liable to the fines and penalties provided by the Fisheries Act.

2. Sturgeon fishing shall be carried on only by means of gill-nets, drift-nets and baited hooks, and no person or persons shall carry on sturgeon fishing except under license obtained from the Minister of Marine and Fisheries.

3. The meshes of all nets for catching sturgeon shall not be less than twelve inches extension measurement from knot to knot, when in use fishing, and nothing shall be done to practically diminish their size. The length of each set of the said gill or drift-nets shall not exceed three hundred (300) yards in the water at one time.

The total number of sets of gill or drift-nets to be used under license by any one person or company shall

not exceed five, and the joining of such nets together to make a continuous net exceeding 300 yards in total length is prohibited. The distance between adjacent nets when set for fishing shall not be less than 250 yards.

4. Not more than six (6) hooks shall be attached to each sturgeon line. Each of the said hooks shall be individually separated by a distance of not less than five (5) feet. Unbaited hooks are forbidden, and lines with hooks improperly baited with a view to evading this prohibition shall be seized and confiscated in accordance with clause 11 of these Regulations.

5. Sturgeon licenses shall be granted only to *bona fide* resident British subjects and no other person or persons shall be eligible for licenses. The holder of every sturgeon license shall be a *bona fide* resident British subject and the actual owner of the nets and other apparatus and fishing gear to be used under such license, and no transfer of such license or of the apparatus, with which the fishing is carried on under such license, shall be made to any other person or persons whomsoever, unless written permission to do so shall have been obtained from the Minister of Marine and Fisheries.

6. Each sturgeon net and each sturgeon line shall have affixed to it a wooden or metal float painted white, and of such size as to be plainly visible, upon which shall be indelibly written or stamped the name or names of the licensee or licensees and the number of such net or line.

7. Each and every licensee carrying on sturgeon fishing shall make a return with a declaration, thereto attached, under his, her or their signature, showing the number and aggregate weight of the sturgeon captured during the season for which such license was issued, such return and declaration shall be given to the local fishery officer within whose division the fishing is carried on, on or before the first day of December of the year for which such license was issued.

8. Sturgeon under four (4) feet in length shall not be fished for, caught, killed, bought, sold or had in possession by anyone, but if captured in nets or by baited hooks or otherwise, such undersized fish shall be liberated alive immediately thereafter, and if not so liberated the person or persons failing to comply with this regulation shall be liable to the fines and penalties provided by the Fisheries Act.

9. Applicants for sturgeon fishing licenses shall describe in their applications the locality in which they desire to fish, the quantity of nets, lines and hooks and other fishing gear, which they wish to be included in the licenses, and shall at the same time pay the fee or fees necessary to obtain such license or licenses.

10. The fee for the legal fishing season, payable on each sturgeon net of 300 yards, whether gill or drift-net, under a license, shall be five dollars (\$5), and for each sturgeon line, a fee of one dollar (\$1).

11. All materials, implements, nets, lines or appliances used, and all fish caught, taken, killed, bought, sold or had in possession, in violation of these regulations, shall be seized and confiscated, and the possessors or the owners thereof shall furthermore be liable to the penalties provided by the Fisheries Act, and any licensee wilfully violating these regulations shall forfeit his license and shall not thereafter be eligible to obtain a sturgeon fishery license.

12. These regulations shall come into force forthwith in the Province of British Columbia, and shall supersede and revoke all or any other regulations now existing or in suspension in regard to sturgeon fishing, in so far as they may relate to the Province of British Columbia.

A BY-LAW

To regulate the election of a Reeve and Councillors for the Municipality of Richmond.

WHEREAS it is expedient to make provision for the election of a Reeve and Councillors for the Corporation of the Township of Richmond and for the appointment of a Returning Officer.

Be it therefore enacted by the Reeve and Councillors of the Corporation of the Township of Richmond as follows:—

1. The Council shall consist of a Reeve and five Councillors, and each of such Councillors shall be elected to represent a separate ward of the five wards into which the Municipality of Richmond is divided.

2. The nomination of candidates for the respective offices of Reeve and Councillors shall take place on the second Monday in January in each and every year, at the Richmond Town Hall, from 12 o'clock noon to 2 p.m., and the polling, if any, at the same place on the Thursday following from 8 a.m. to 4 p.m., and the proceedings at such election shall be in accordance with the provisions of the "Municipal Act, 1892," and amendments thereto.

3. In case of a poll being required, each duly qualified voter shall have one vote for a Reeve, and also one vote for a Councillor in the ward or respective wards in which he or she may be registered as a ratepayer.

4. The Returning Officer shall, on the day of nomination, nominate such persons as shall be put in nomination in that behalf, and in case of a poll being required, shall provide a separate ballot box for the votes for Reeve and also for a Councillor for each ward. He shall also provide separate ballot papers for the election of a Reeve and of a Councillor for each ward, on which ballot papers shall be written or printed the names of the several candidates, their occupation, and residence, and in case of Councillors, the wards for which such candidates are nominated. The Returning Officer shall also provide a compartment in the polling place in which the voter can mark his or her ballot paper secure from observation, and into which he will allow only one voter at a time.

5. The Returning Officer shall, immediately before the opening of the poll, show the ballot box to such persons as are present so that they may see that it is empty. He shall then lock the box and place his seal upon it in such a manner as to prevent its being opened without breaking the seal, and shall then place the box in his view for the reception of ballot papers.

6. The Returning Officer before handing the ballot paper or papers to the voter shall write or stamp his initials upon the back or backs of the same, and shall check off the number of such voter on the list of voters.

7. The voter shall then proceed into the separate apartment provided for the purpose and shall secretly mark his ballot paper or papers with an X on the right hand side opposite the name of the candidate for whom he desires to vote, and shall then fold the ballot paper or papers in such a manner as to conceal the names of the candidates and the X, but so as to expose the initials of the Returning Officer, and shall then place the same in the ballot box in which such should be placed in the presence of the Returning Officer.

8. Immediately after the close of the poll, the Returning Officer shall, at the polling place and in presence of such of the candidates or their accredited agents as may be present, open the ballot boxes and proceed to count the votes. He shall examine the ballot papers and shall reject as void any ballot paper not having his initials on its back, or on which more votes are given than the elector is entitled to give, or on which the voter has put any mark or writing by which he can be identified, and forthwith thereafter declare to be elected the candidate for whom the majority of votes have been given.

9. When an equality of votes is found to exist between any candidates, the Returning Officer shall have the casting vote.

10. After declaring the result of the poll, the Returning Officer shall seal up all ballot papers used at the election, and shall keep them in his possession for twelve months, unless called upon legally to deliver up the same, after which he shall destroy them.

11. The Council shall, in the month of December in each year, appoint a Returning Officer, by resolution, and shall previous to the day of nomination furnish him with a list of voters for each ward.

12. The "Richmond Municipal Election Regulation By-law for 1893," is hereby repealed.

This by-law may be cited for all purposes as the "Richmond Municipal Election Regulation By-law, 1894," and shall be effective until amended or repealed.

Passed the Richmond Municipal Council this 10th day of December, A.D. 1894.

Reconsidered and adopted, signed by the Reeve and Clerk of the Council, and the seal of the Corporation attached this 18th day of December, A.D. 1894.
